St SAVIOUR'S
EASTBOURNE

Concerts for 2021

May-December

Welcome to St Saviour's Church and welcome to our season of concerts for 2021.

It is a privilege to be able to share this beautiful building with you, both as a very peaceful and reverential space for worship and as a superb venue for the performing arts.

This church has a wonderful acoustic which allows performers to demonstrate their skills to their very best. We also have a most impressive 'Walker' organ and a fine, full-size 'Danemann' concert grand piano.

Concert Information

Most concerts are free of charge, but we welcome donations towards the upkeep of the church and organ. However those concerts on Sunday afternoons and others coloured cream are ticketed events.

Light refreshments are usually offered after each event although we are not sure if this will be permissible as things stand with the current Covid-19 restrictions.

Individual concert details are available on our website approximately two weeks before each event.
